School Report:

Four days of school always disappears quickly, especially with a lot to pack into the week.

Summer Sports:
The 4/5/6 class competed in the summer sports today. The students had the option of playing cricket or T-ball. The students have focused on this for the last 2 weeks and were certainly looking forward to showing off their skills.

Trivia Night:
We have 16 tables booked for the St Patrick's Quiz Night. It’s been really nice to have such positive publicity around this event which has promoted the school and the day. Although it’s a cliché, we are amazed by the generosity of the local businesses who have supported the event. Both St Patrick’s families and families from the community have provided goods and services for the benefit of the school.

Mr Stink:
Hold onto your nose for this touching, twisted and very smelly adaptation of David Walliams’ award-winning children’s book, live on stage! The ‘Mr Stink’ trip is on Wednesday the 22nd of March for all the Year 2 - 6 class. Students are required to wear school uniform and a permission notice will be sent out today. We went to a similar show last year and the student feedback was very positive.

St Patrick’s Day:
St Patrick’s Day was celebrated on Thursday (green clothes and green jelly). The students had a fantastic day participating in fun activities to help remember Saint Patrick. Today the students attended mass, which was led by the 2/3 class. This was a great experience for our younger students to speak in front of the whole school. Thanks Father Paul for leading us in this celebration.

Mass Time:
Sunday, 19th of March at 10:30am.
